

## *Training & Development*

J.S. Evans Consulting, Inc. provides a variety of professional workshops and seminars on a wide range of topics, which are designed to facilitate the growth and development of your employees. Workshops can be created and customized to meet your specific needs with regard to content and length of presentation. Workshops are highly interactive – involving the participants throughout. Workshop size is normally between 20-40 participants, which allows for appropriate interaction between instructor and attendees. We can design and develop any type of organizational workshop that you require. Some of the workshops we offer are:

- **Interpersonal Communication** Utilizing the Myers-Briggs Type Indicator to help individuals understand themselves and others better.
- **Managing Stress in the Workplace** More than 150 Stress Management workshops done for organizations, plus many individual stress management consultations.
- **Sales Training and Development** Focuses on providing effective sales and closing strategies to help your salespeople achieve success.
- **Team Building** Several interactive exercises and many proven teamwork skills are utilized in this popular team building workshop.
- **Managing Conflict in the Workplace** Teaches proven strategies for dealing with conflict and disagreement in the workplace. A great 1-day workshop for managers and supervisors.
- **Customer Service** An excellent 1-day workshop for all employees – especially your sales and marketing professionals.
- **Leadership Skills Development** A 2-day workshop designed to help your managers and supervisors learn the strategies and techniques that are utilized by successful leaders.
- **Supervisor Skills Development** An intensive, 1-day interactive workshop covering today's state-of-the-art principles of managing -- focuses on "real world" workplace applications.
